1. Basis of Presentation

Description of Business

TCSAP LLC ("Company") is a 1% owner of Tata Chemical (Soda Ash) Partners. The Company is a wholly owned subsidiary of Tata Chemical (Soda Ash) Holdings ("TCSAPH").

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment

Long-term investments are carried at cost less provision for diminution, other than temporary, in the value of such investments.

Income Taxes

The financial statements contain no provision or liability for income taxes because the results of the Company's operations are includable in the taxable income of its partners.
