**1. Basis of Presentation**

**Description of Business**

TCNA (UK) Limited ("Company") is an active corporation. It is a subsidiary of Tata Chemicals North America Inc. ("TCNA").

**2. Summary of Significant Accounting Policies**

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes**

The financial statements contain no provision or liability for income taxes because the result of the Company's operations is NIL.

**First year financial statement**

The Company has been incorporated on August 22, 2014, Hence this financial is for the period beginning from August 22, 2014 to March 31, 2015 and there are no comparatives.
