Tata Chemicals Awards Scholarships To 14 Area Students

by News Desk August 9, 2017 at 2:52 pm

SWEETWATER COUNTY — Tata Chemicals awarded 14 scholarships to area students today, during a ceremony at their Green River facility.

Launched in 2013, Tata Chemicals' Wyoming Scholarship Program provides financial assistance to dependents of company employees who are enrolled at local universities. The winners of this year's program included students enrolled at the University of Wyoming, Western Wyoming Community College and Casper College.

To date, the company has awarded over \$45,500 in scholarship grants through this program.

Applicants are evaluated based on academic excellence, leadership, goals, and aspirations. The winners are selected by a Review Committee at Tata Chemicals.

On Wednesday, August 9, Tata Chemicals will present \$19,500 in scholarship grants to 14 Wyoming-based college students during a ceremony held in their honor at Tata Chemicals' Green River facility.

The 2017 scholarship winners will share in awards ranging from \$500 to \$2,500.
