JUNE 2018

World Day to Combat Desertification & Drought.

June 17th, saw us embark on a tree planting effort in Oldonyonyokie Town in support of World Day to Combat Desertification and Drought at a ceremony that was attended by Cabinet Secretary for Environment Keriako

Tobiko, together with NEMA, Kenya Forest Service officials among others. The event, which was held at Oldonyonyokie Secondary School, saw TCM donate 1000 tree seedlings to the noble initiative.

TCM launches rail passenger coach service in Kajiado.

TATA Chemicals Magadi have announced today that they will introduce a new passenger coach service in Kajiado. The announcement was made during the launch of the service at TATA Chemicals Kajiado Railway Station, and was attended by TATA Chemicals Magadi Managing Director, Eng. Jackson Mbui and Kajiado County Governor Hon. Joseph Ole Lenku.

The passenger coach will serve surrounding communities between Kajiado and Konza and will run twice a week. The coach service will be operated by Tata Chemicals Magadi as a way to ease travel between Konza and Kajiado.

TATA Chemicals Magadi Managing Director, Eng. Jackson Mbui and Kajiado County Governor Hon. Joseph Ole Lenku flag of the train.

Maersk Kenya team headed by Mads Skov together with Nelly Kinuthia (Maersk Kenya) - pictured left Tom Odumbe (Tata Chemicals Manufacturing Manager) and Robert Mboga (Maersk Kenya) far right visiting Tata Chemicals Magadi 23rd June.

MAERSK Kenya visit to TCM

A delegation from Maersk Kenya visited TCM this month, headed by their CEO, the team was given a tour of the plant by Tom Odumbe. Maersk Kenya has been our shipping partner since 1911, and is responsible for shipping our products to our markets in South East Asia, the Middle East and the Indian Sub-continent.
